

DONCASTER CLASSIC CAR & BIKE SHOW

Saturday 9th July 2022

Eco Power Stadium, Stadium Way, Lakeside, Doncaster DN4 5JW

Information for Traders

We have great pleasure in inviting you to attend and trade at the Doncaster Classic Car & Bike Show 2022 at our superb NEW venue, The Eco Power Stadium on Lakeside, Doncaster.

We have significant on-site free parking for visitors allowing easy access. We expect this, together with an excellent full day of entertainment and extensive catering and bar facilities, to result in significant numbers of visitors attending, particularly in view of the famine in such events over the last two years due to Covid-19 issues. We do hope those who have attended in previous years will appreciate the new facilities. At the last show, we had around 800 exhibiting vehicles attending and nearly 5,000 members of the general public present during the day.

All our Trader pitches are outdoors, but in close proximity to all facilities, at a cost of just £30 per plot. Each plot will measure approximately 7m x 5m, sufficient to comfortably hold a standard 3m x 3m gazebo, with space to sit, trade and hold stock. If you require more space, multiple plots may be booked.

IMPORTANT NOTICE

Traders will need to provide their own tables, chairs, power and gazebos. All pitches will be situated on solid hard-standing, so will need a method of securing gazebos, etc., to the ground. Entry for a vehicle and up to 3 accompanying persons is included with each plot pre-booked online. Entry permits will be provided automatically to download, ~~which~~ must be displayed prominently in vehicle windscreens upon arrival.

The site opens to Traders from 7.30am on Show-day. Traders must be on site and fully operational before 10am when the event opens to the general public. Entry to the site is off Stadium Way, opposite the Lakeside Shopping Centre.

Applications for Trader plots online will close at a set date (identified when booking). If full, a booking will be entered on to a Waiting List, and those waiting will be informed as soon as a plot becomes available. The Organisers reserve the right to refuse any application. All plots must be pre-booked.

We do require confirmation of Third Party/Public Liability insurance when booking, and evidence prior to the event via email or post, as a condition of booking. Traders should also have copies available on the day. We would urge Traders to undertake your own risk assessment.

Please read our online Terms & Conditions carefully on our website www.doncasterclassiccarshow.org. By ticking the appropriate box, you agree to them, which then allows you to book your space. You will receive an email confirmation of your booking, your ticket(s) to download and we will keep you informed of any other information by email, prior to the event.

To further promote your trade, you can also advertise in our quality programme, given away to all visitors on the day. Visit our website for more information www.doncasterclassiccarshow.org

The Doncaster Classic Car & Bike Show is organised by the
Rotary Club of Doncaster St George's
All profits from this event are distributed to other charities and good causes
